# TABULATION SHEET

General Services  
(Procurement) Division

Thank you for your response to our Request # NE13-60Q-R2. For your information, the following is a tabulation of all responses received. This solicitation was awarded to: **Twin Traffic Marking Corporation (OPTION A)**. If you have any questions, please contact me at the address/phone number shown above. Buyer: William D. "Bill" Noyes, CPPO, CPPB, Senior Procurement Agent Date/Time of posting: May 21, 2013/4:00 PM

## PROJECT LOCATION:

MoDOT – Northeast District - Macon County – Eastbound U.S. Hwy 36  
Continuous Log Mile 131.100 to Continuous Log Mile 137.600 (6½ miles)

## SCOPE OF WORK

Remove existing center line pavement marking from the project location described above. The existing center line to be removed should consist of an 8-inch grooved surface, with an 8-inch black contrast pavement marking, with additional layers of 6-inch white pavement marking. Markings should be 10-feet in length with a 30-foot skip, followed by another 10-foot mark, and so on. Lengths and widths may vary throughout the project location. The existing concrete pavement surface shall not be disturbed. All work must be completed by June 7, 2013. The contractor shall be responsible for the removal and disposal of any residue from the removal process. This RFQ is for pavement marking removal only. MoDOT forces will re-stripe the pavement when work is completed. Submit quotations on each of the following options:

<b><u>Labor and materials</u> for pavement marking removal. Refer to the project location described above.</b>	<b>TWIN TRAFFIC MARKING CORP. - QUOTED COSTS (for labor &amp; materials to complete all work in the project location)</b>
<b>Option A:</b> Pavement Marking Removal with the contractor providing traffic control according to attached sample, TA-33.	<b>\$20,630.00 *</b>  <b>Option A: Total "Lump Sum" Cost</b>
<b>Option B:</b> Pavement Marking Removal with the traffic control provided by others.	<b>\$13,330.00 *</b>  <b>Option B: Total "Lump Sum" Cost</b>

\* MoDOT to provide water and dump area for water blaster operations. Quoted prices do not included water or on site dump area, both to be provided by MoDOT.

In addition to posting this RFQ on the MoDOT website, notification of the online posting of this solicitation was also sent, by email and/or fax, to Interstate Road Management, Quality Striping, Traffic Control Company, and Zone Group, but no responses were received from these vendors. Notification was also sent to the State of Missouri Office of Administration's Office of Equal Opportunity (OA OEO).
